A permit to import is required to authorise the import of a substance
subject to import control under Regulation 5G and/or 5H and/or 5F
of the Customs (Prohibited Imports) Regulations 1956.

This Permit is valid only for the importer named above and may be
revoked for non-compliance with the specified conditions.

This permit shall not absolve the holder from the obligation to
comply with the provisions of any law relating to the import and/or
possession of the goods.

Where the laws of the exporting country require the issue of
an Export Authorisation, a copy of the Export Authorisation
must accompany the goods.

If this permit is not used all copies must be returned to:

Drug Control Section
GPO Box 9848
Canberra ACT 2601

no later than 14 days after expiry.
